Did you know? Audubon offers **Saturday Programs** for children aged 3-8 and their favorite grownups, and **Summer Day Camp** for children from PreK through High School. Call today for more information.

Dear Parent/Guardian,

Your child will be attending a program at the **Audubon Center & Sanctuary**. Please make sure your child is properly prepared.

If the weather is really foul, there will be a variety of indoor activities. However, we always try to go outside. Check the weather forecast and make sure your child dresses for the weather. Do you need a **sweater**? How about a **raincoat**?

A **hat** or **cap** helps keep the sun out of your eyes and bugs away from your face.

**Footwear:** It can be muddy here! **Shoes** or **boots** and **socks** are required. No sandals, please.

**Insects:** While the best way to avoid insect bites is to wear long pants, a hat, and a long-sleeved shirt, some days will be just too hot for this type of dress. Lighter colors tend to help. Don't wear perfumes or sweet-smelling lotions. If you want to send insect repellent for your child to use, please send lotion, roll-on, or another NON-SPRAY application.

**Lunch:** If your child's group is coming for lunch, please consider these earth-friendly tips:

- Pack only as much food as your child will eat.
- We can recycle glass, plastic (codes 1-5), and aluminum.
- We recommend reusable lunch carriers and containers.

**WARNING:** We combine fun with learning. Sometimes that means that we get **dirty!**

## Field Trip Permission Slip

My child, \_\_\_\_\_, has permission to attend an outdoor program at the  
(child's name)

Audubon Center & Sanctuary on \_\_\_\_\_.  
(date)

I understand the class will leave the school at \_\_\_\_\_ and return at \_\_\_\_\_.
